# Key messages

- There are more than 32.2 million Brazilians that could triple their income by using our services. This number is growing
- We have reinvented our business, with intense digital transformation and gained full independence from government incentives
- Yduqs has delivered growth, high margins and dividends amidst 8 years of challenging macro scenario
- And with a promising scenario of a clear strategy and capital allocation
- On top of that, we are the top choice for ESG sensitive investors
