MATERIAL FACT

YDUQS PARTICIPAÇÕES S.A ("Company" or "YDUQS") - (B3: YDUQ3), in compliance with the provisions of paragraph 4 of article 157 of Law No. 6.404 dated December 15, 1976, as amended ("Corporations Act"), CVM Resolution No. 44 dated August 23, 2021 ("CVM Resolution 44/21"), Resolution No. 77 dated March 29, 2022 ("CVM Resolution 77/22") and CVM Resolution No. 80 dated March 29, 2022 ("CVM Resolution 80/22"), informs its shareholders, investors, and the market in general, as of today, the Company's projections¹ for Adjusted Earnings per Share² and Free Cash Flow to Equity (FCFE)³, as follows:

- Adjusted Earnings per Share²: projection between R\$ 1.4 and R\$ 2.0 for the year 2026, and between R\$ 2.0 and R\$ 3.5 for the period between 2027 and 2030.
- Free Cash Flow to Equity³: projection between R\$ 520 million and R\$ 620 million for the year 2026.

The projections disclosed in this document constitute forward-looking statements based on currently available information and hypothetical assumptions, reflecting Management's current expectations regarding the Company's anticipated performance. These do not represent performance guarantees. The Company notes that future outlooks may change due to, among other factors, shifts in market conditions, government regulations, industry performance, and the Brazilian economic environment, and may differ materially from actual reported results for the periods in question. These projections have not been reviewed or audited by the Company's independent auditors.

Further information concerning these projections will be disclosed during YDUQS' First Quarter 2026 Earnings Conference Call, to be held on May 08, 2026, at 9:00 AM (Brazilian time). Access details are available on the Company's Investor Relations website (www.yduqs.com.br). The complete presentation material has been filed with the Brazilian Securities Commission (CVM) and is accessible at www.cvm.gov.br.

Rio de Janeiro, May 7th, 2026

Rossano Marques Leandro

Chief Executive and Investor Relations Officer

¹ Note: The Company informs that, for its projections, it used the Selic rate assumptions based on the Focus Report dated 04/24/2026, published by the Central Bank of Brazil.

² Adjusted net income for non-recurring effects and amortization of goodwill from acquisitions, divided by the number of company shares, excluding treasury shares.

³ Free cash flow to equity is defined as the change in cash, excluding M&A payment, dividends paid, share buybacks, and debt issuances and repayments.
